- (c) the type of technical skill development facilities available to the youth; and
- (d) whether any job opportunities are provided to these trainees after the training, the details thereof?

ANSWER

**MINISTER OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI DHARMENDRA PRADHAN)**

(a) Yes, Sir. Under Skill India Mission, Ministry of Skill Development and Entrepreneurship (MSDE) is implementing its flagship scheme, Pradhan Mantri Kaushal Vikas Yojana (PMKVY), with an objective to impart short duration skill training to unemployed youth across the country, including the State of Andhra Pradesh. Under PMKVY, as on 10.07.2021, 129 lakh candidates have been trained / oriented across the country including 4.39 lakh candidates from the State of Andhra Pradesh.

(b) PMKVY has two components, namely, Short-Term Training (STT) and Recognition of Prior Learning (RPL). Under STT component, candidates are being trained in short duration courses through empanelled training centres (TCs) whereas under RPL component, candidates with prior learning experience or skills are being oriented and certified. Further, Ministry promotes establishment of model and aspirational skill centres known as Pradhan Mantri Kaushal Kendra (PMKK) in every district for imparting skill training in Public Private Partnership (PPP) mode throughout the country, including the State of Andhra Pradesh.

Under PMKVY, as on 10.07.2021, 134 TCs, including 18 PMKKs, are currently operational across 13 districts in the State of Andhra Pradesh. The district-wise number of operational TCs including PMKKs for the State of Andhra Pradesh, as on 10.07.2021, is given in *Annexure*.

(c) Under PMKVY, training is being imparted in various National Skill Qualification Framework (NSQF) aligned job roles including technical courses across 37 sectors.

(d) Yes, Sir. Under PMKVY, STT is linked to placement, while RPL does not mandate placements as it recognizes the existing skills of candidate. Under the STT, placement is linked with payout to training providers. The last tranche, i.e., 30 percent of total payout is disbursed to training providers only on ensuring placement of the candidates. Further, Rozgar Melas are organised with the support of Sector Skill Councils, training providers and implementing agencies to directly link the candidates with the potential employers.

Under STT-PMKVY, as on 10.07.2021, 52.47 lakh candidates have been certified; out of which, 23.25 lakh candidates have been placed across the country including 1.08 lakh candidates from the State of Andhra Pradesh.
